# Let It Ride Bonus

## THE BASICS

Let it Ride is a five card stud game in which you try to get the best possible poker hand by using a combination of your cards and the Dealer's cards. A winning hand consists of a Pair of 10s or better. You are not playing against the dealer or other players.

## HOW TO PLAY

Each player places three bets of equal denomination in each of the three betting circles. Players are then dealt three cards face down. The dealer is also dealt three cards face down, called "community cards". After looking at your hand, you may ask for your first bet back or you may "let it ride". The dealer will then turn over one community card. You may then ask for your second bet back or "let it ride". The second community card is turned over by the dealer. At this point, all winning hands are paid according to the schedule below.

## BONUS BET

The player has the option to place an additional \$1 bet on the bonus sensor before any hands are bet. Qualifying hands will receive a bonus payment.

Player Hand	Basic Pay	Bonus Pay
Royal Flush	1,000 to 1	\$20,000
Straight Flush	200 to 1	\$1,000
Four of a Kind	50 to 1	\$100
Full House	11 to 1	\$75
Flush	8 to 1	\$50
Straight	5 to 1	\$25
Three of a Kind	3 to 1	\$4
Two Pair	2 to 1	\$3
Pair of 10s or better	1 to 1	\$1

Maximum aggregate payment is \$50,000. Bonus not included in aggregate payoff.

## 3 CARD BONUS OPTIONAL SIDE BET

You may make the optional 3 Card Bonus bet in addition to your standard Let It Ride Bonus wager. 3 Card Bonus is based on the cards you hold when playing Let It Ride Bonus. If your cards contain a pair or better, your 3 Card Bonus bet wins.

Player Hand	Payoff
Straight Flush	40 to 1
Three of a Kind	30 to 1
Straight	6 to 1
Flush	4 to 1
Pair	1 to 1
