I hereby certify that the answers and statements given by me in this application are true and correct. I understand that any misrepresentation or omission of facts in this application, or during the course of an interview, may be justification for refusal of employment, or if employed, termination from employment. I authorize Treasure Bay ("the company") and its entities to investigate all that it believes is relevant to my employment application including, but not limited to, my employment history, educational background, credit history, and record of criminal convictions. I also authorize, my former employers, educational institutions, and individuals whom I have given as personal references, to provide information they may have about me in response to inquiry from the company as a result of my application for employment. I specifically consent to and authorize any agency of the criminal justice system to release to the company any records of criminal conviction as may be procured under NRS Chapter 179A, and understand that such records will not necessarily disqualify me for employment.

I also acknowledge that, if requested, I will submit to hair, blood, or urine tests to determine if I am drug free. I understand that my refusal to submit to such tests may result in withdrawal of any offer of employment, or if employed, termination of employment.

There is no express or contract of employment between Treasure Bay and its employees other than "at will". No circumstances arising out of employment with Treasure Bay will alter the "at will" employment relationship of any employee unless expressed in writing, with the circumstances specifically set forth, and signed by both the employee and the President of Treasure Bay Casino.
