DEUCES WILD HOLD 'EM FOLD 'EM

THE BASICS

Hold 'Em Fold 'Em is a five card poker game in which you try to get the best possible poker hand. Two's are wild and may be used as any card. You are not playing against the dealer or other players.

HOW TO PLAY

Each player places an "ante bet" in the betting square. Players are then dealt three cards face down. The dealer also receives three cards face down. After all cards are dealt, you may look at your cards and decide to "hold 'em" and continue to play or "fold 'em" and forfeit the ante. If you chose to play, you must place a bet equal to your ante in the betting square. The dealer will then deal a fourth card face down. Players again decide to "hold 'em" or "fold 'em and forfeit all wagers. If you chose to play, you must bet double the ante bet. The dealer will then deal the fifth and final card. Players with a Pair of Aces or better will be paid according the schedule below.
