BET THE SET 21

BLACKJACK BONUS BET

THE BASICS

Bet the Set "21" is an optional side bet available on all Blackjack games. It considers the first two cards the player receives. If the first two cards are a pair or a suited pair, the player wins. All bonus payouts apply to the player's first two cards only.

HOW TO PLAY

To begin each round, players make their standard Blackjack wagers and the Bet the Set wager. The dealer then follows procedures for Blackjack. Once each player has received two cards, the dealer settles all Bet the Set wagers and then proceeds to resolve each Blackjack hand. If a player has a Pair, they will be paid according to the schedule below.
